STIPULATED JUDGMENT

NOW COME the above captioned plaintiff (the "Plaintiff") and the above captioned

defendants (the "Defendants") and, recognizing the ongoing risks and expenses of further

litigation, hereby stipulate and agree as follows:

1. Judgment shall enter in favor of the Plaintiff and against the Defendants, jointly and

   severally, in the amount of $193,218 (which consists of $113,250 in lost wages,

   $4,968 in consequential damages, $37,500 in compensatory damages, and $37,500 in

   punitive damages) plus attorney fees in the amount of $25,500 for a total judgment in

   the amount of $218,718.

2. Defendants make no admission or concession of the facts asserted by the plaintiff and

   no admission of liability. The Defendants specifically disclaim and deny any liability

   or wrongdoing whatsoever with respect to the allegations and claims asserted against

   them in this action and enter into this stipulated judgment solely to avoid the further

   expense, inconvenience, burden and uncertainty of litigation.

3. This stipulation is for the purposes of settling this case and permitting entry of final

    judgment, and for no other.

4. Plaintiff and Defendants waive any right of appeal.

5. This Stipulation and Judgment may enter as a final judgment of the court.

Respectfully submitted this 20th day of April, 2022.
